Hunger and Thirst
AFTER RIGHTEOUSNESS
AWARD

In Matthew 5:6, Jesus declares:

"Blessed are they which do hunger and thirst after righteousness: for they shall be filled."

There is something truly special about a sister whose heart longs to grow closer to God.

Her spiritual hunger shines through her eagerness to learn, her thoughtful answers, and her sincere efforts to apply God's Word to her life.

She understands that spiritual growth is not a destination we suddenly arrive at, but a lifelong journey of seeking, studying, learning, and becoming more like Christ.

She doesn't wait for someone else to feed her. She actively seeks opportunities to nourish her own soul, deepen her understanding, and strengthen her relationship with God.

And what makes this woman so remarkable is that her hunger is evident. It is reflected in the way she approaches God's Word, the thoughtful and carefully considered answers she shares, the spiritual understanding she demonstrates, and, most importantly, the sincere effort she makes to apply what she has learned to her everyday life.

What a beautiful reminder this recognition is to all of us: Never lose your appetite for the things of God.

Today, we are not celebrating perfection.
We are celebrating a beautiful pursuit of righteousness!

Later today, we will honor one special sister whose hunger for God's Word has not gone unnoticed.

Who will receive our Hunger and Thirst After Righteousness Award?

Stay tuned,
because her name will soon be revealed!
